

Marketplace Special Enrollment Confirmation Process: “Non-responder Notice” On or After June 18, 2016 (Gaining a dependent through adoption, placement for adoption, placement in foster care, or a child support or other court order)

Beginning in March 2016, consumers who applied for Marketplace coverage were required to acknowledge that they might be asked to provide documentation to verify their eligibility for a Special Enrollment Period (SEP). The following 5 SEPs are included in the Special Enrollment Confirmation Process:

- Loss of minimum essential coverage
- Change in primary place of living (“Permanent Move”)
- Birth
- Gaining a dependent through adoption, placement for adoption, placement in foster care, or a child support or other court order
- Marriage

Beginning on June 18, 2016, all consumers who qualify for one of these SEPs get an eligibility determination notice requesting that they send a document(s) to prove their SEP eligibility. Consumers who qualified for one of these SEPs before that date (between March 1, 2016 and June 17, 2016) may instead get an “Initial Verification Selection Notice” requesting that they send the same type of documents.

Consumers who don’t send documents by the due date specified on their eligibility notice or other Marketplace notice will get this SEP-specific Non-responder Notice. It repeats the requirements for sending documents and includes an updated due date 30 days from the notice date.

The following Non-responder Notice example is for an individual or family who appears to be eligible for an SEP because they gained a dependent through adoption, placement for adoption, placement in foster care, or a child support or other court order, and applied for coverage on or after June 18.

Dear [Insert Household Contact Name]:

We're following up on the application you submitted for health coverage through the Health Insurance Marketplace. When you applied, the Marketplace sent you an Eligibility Determination Notice on [insert date EDN was generated]. This notice asked you to upload or mail a document(s) copy to prove your household's eligibility for a Special Enrollment Period. On your application, you reported that the following individual(s) was adopted or placed for adoption or foster care, or gained or became a dependent through a child support or other court order, within the 60 days before you applied for coverage:

[Insert name of person #1 who triggered SEP]

[Insert name of person #2 (if any) who triggered SEP]

IMPORTANT: Our records show that, as of the date of this letter, you haven't sent document copies to verify your eligibility. **You must submit acceptable document copies by [bold insert due date], or you may lose your Marketplace coverage.**

What should I do next?

1. Look at the list of examples of acceptable documents below that you can submit to verify your eligibility for a Special Enrollment Period. Send in more than one document copy, if necessary, to prove that the individual(s) in this notice was adopted or placed for adoption or foster care, or gained or became a dependent through a child support or other court order, and when.

Please send one or more of these document copies to prove Adoption, Foster Care or Other Court Order

- Adoption letter or record showing date of adoption dated and signed by a court official
- Government-issued or legal document showing the date that the child was placed in the home
- Government-issued or legal document showing the date legal guardianship was established
- Court order showing the effective date of the order
- U.S. Department of Homeland Security immigration document for foreign adoptions
- Medical support order
- Foster care papers dated and signed by a court official

2. Check your Eligibility Determination Notice. It includes instructions for submitting documents to prove your eligibility for a Special Enrollment Period. If you have a Marketplace account, log into HealthCare.gov and go to the “Application Details” section of your application to download a copy of this notice. If you applied over the phone, you should’ve received your notice by mail at the address listed on your application.
3. Mail or upload the required document(s) copy. Uploading your document(s) online is the fastest way to get them to us. To upload, log into your Marketplace account and select “Start a new application or update an existing one.” Click on your name in the top right of the screen and select “My applications & coverage” from the dropdown. Then, under “Your existing applications,” select your current application. Click on “Application details” to see a list of all issues that apply to your household. For each recent life event you need to prove, select the green “Upload documents” or “Upload more documents” button.

You can also mail a copy of the document(s) to this address:

Health Insurance Marketplace
Attn: Coverage Processing
465 Industrial Blvd.
London, KY 40750-0001

Include a copy of the front page of this letter. Write your full name and “Application ID **[bold insert Application ID]**” on the top of each page. Don’t send original documents.
