

Esta es la notificación enviada a un individuo cuando el Mercado recibe una transferencia de cuenta de una agencia estatal o Medicaid/CHIP. En este escenario, el individuo solicitó directamente a través de la agencia estatal y ésta determinó que la persona no es elegible para Medicaid/CHIP, por lo que la agencia estatal transfirió la cuenta de la persona y la solicitud al FFM para la determinación de la elegibilidad para QHP/APTC/CSR.

Dear Susan:

Complete your application for Marketplace coverage

You recently submitted an application to your state Medicaid or Children's Health Insurance Program (CHIP) agency or made a change to your eligibility information for health coverage. Your state Medicaid or CHIP agency sent your application in a secure transaction to the Health Insurance Marketplace because you or someone on your application doesn't qualify for Medicaid and CHIP. We used the information from your state Medicaid or CHIP agency to start an application for you on HealthCare.gov. You'll need to complete and submit this application to see if you or someone on your application qualifies to get Marketplace coverage and help paying for health coverage and health services through the following:

- A new tax credit that can be used right away to lower your monthly health insurance premium costs
- Health plans specifically designed to lower your out-of-pocket costs

If we don't hear from you, we won't be able to determine your eligibility based on the application we started for you.

Note: If you already have an eligibility determination from the Marketplace for a tax credit and plan with lower out-of-pocket costs, you don't need to complete and submit an application. Your eligibility and coverage (if you've enrolled already) won't change.

How to complete your application

To complete your application, you can do one of the following:

- Log in to your HealthCare.gov account
 - Create an account on HealthCare.gov if you don't already have one
-

- Call the Marketplace at 1-800-318-2596 (TTY: 1-855-889-4325)

When you log in or call, you'll be asked to provide the application ID number listed at the top of this letter. You and anyone on your application who received a denial of eligibility for Medicaid and CHIP are eligible for a Special Enrollment Period to choose a health plan through the Marketplace if you originally applied on or before Jan 31, 2017 and we determine that you're eligible to purchase coverage through the Marketplace. You'll also get a Special Enrollment Period if you had Medicaid or CHIP and lost it because you're no longer eligible. When you review your information, you'll be asked if someone in your household applied before Jan 31, 2017. Make sure to identify the appropriate family members. After you complete your application, you'll receive an eligibility notice with more information about whether you and anyone in your household qualifies for a Special Enrollment Period.

For more information about how to complete the application we started for you, go to www.healthcare.gov/help/statetransfer to read "What if my state application was transferred to the Marketplace?"

What to do if you've had changes since being denied Medicaid and CHIP coverage

If your household income has decreased or your family size has increased since you or someone on your application received the denial of Medicaid and CHIP coverage, you should start a new Marketplace application instead of using the application ID at the top of this letter. You may be eligible for Medicaid or CHIP, even if you weren't when you first applied with your state agency.

Where can I find more information?

Visit HealthCare.gov, or call 1-800-318-2596 (TTY: 1-855-889-4325).

Sincerely,

Health Insurance Marketplace
Department of Health and Human Services
